Subject: Federal Prison Consultants

Message: I would like to take a moment and reflect on the accomplishments of Federal Prison Consultants as it pertains to my case. I live in the state of Missouri and when I was sentenced to 63 months in Prison for 1 count of Wire Fraud I consulted with the personnel at Federal Prison Consultants to help me through the process of my prison time. They have been very beneficial to me in the aspect of helping me with my Medical issues and hopefully accomplishing even more within time. I have had them file formal requests for me on my behalf. I would highly recommend this firm for future use when you get into the situation of having to do Prison time in the BOP system.

Thank You,

Mathew W.
Missouri
